## Customer Create Job Screen 1

The image shows a mobile application interface for creating a job. It features a teal header with a lawnmower icon, the title "Odd Jobs", and a hamburger menu icon. Below the header, there are several form fields: "Job Type" with a dropdown menu showing "Mowing", "Address" with a text input field, "Time Window" with two time input fields separated by a minus sign, "Payment Offer" with a text input field starting with a dollar sign, and "Expected Duration" with a text input field. The entire interface is displayed within a rounded rectangle on a dark background.

## Customer Create Job Screen 2

The image shows a mobile application interface for creating a job. It features a teal header bar with a lawnmower icon on the left, the text "Odd Jobs" in the center, and a hamburger menu icon on the right. Below the header is a white input field. Underneath the input field is the label "Description:" followed by a large white rounded rectangular text area. At the bottom of the screen is a teal button with the text "Create Job".
